

Ding Yew Yoong

Senior Consultant, Department of Geriatric Medicine and Institute of Geriatrics & Active Ageing (IGA), TTSH

Executive Director, Geriatric Education and Research Institute (GERI)

Clinical Associate Professor, YLL School of Medicine, NUS

Adjunct Associate Professor, LKCMedicine, NTU

Research Interests:

- Geriatrics and gerontology
- Health services research
- Translational research that impacts health practice and policy

Email: yew_yoong_ding@ttsh.com.sg

Biography

Dr Ding is a senior consultant at the Department of Geriatric Medicine and Institute for Geriatrics & Active Ageing (IGA), Tan Tock Seng Hospital, as well as Executive Director of the Geriatric Education & Research Institute (GERI). He is also Clinical Associate Professor at Yong Loo Lin School of Medicine, National University of Singapore, and Adjunct Associate Professor at Lee Kong Chian School of Medicine, Nanyang Technological University. He obtained training in public health and social research methods at University of Queensland and London School of Economics. He also completed health services research fellowships at Bedford Veterans Affairs (VA) Center for Health Quality Outcomes & Economic Research in Massachusetts, USA, and Institute of Clinical Evaluative Sciences in Toronto, Canada. His substantive research interests include models of geriatric care, frailty and intrinsic capacity, and geriatric syndromes, while his methodological focus is on quantitative methods, program evaluation, and implementation science.
