

## **Lai Mun Wai**

Principal Physiotherapist, Rehabilitation Service, Khoo Teck Puat Hospital

### **Research Interests:**

Vestibular rehabilitation

Training in vestibular rehabilitation

**Email:** [lai.mun.wai@ktph.com.sg](mailto:lai.mun.wai@ktph.com.sg)

### **Biography**

Ms Mun Wai is a physiotherapist who graduated with a Bachelor of Science from Curtin University of Technology in 2004. She specialises in vestibular rehabilitation, focusing on the assessment and treatment of patients with dizziness and balance disorders. She is actively involved in mentoring and training junior physiotherapists in vestibular rehabilitation. Her interests center on advancing vestibular rehabilitation training methodologies and improving clinical outcomes for patients with vestibular dysfunction. Currently, she is involved in piloting an innovative learning tool in vestibular rehabilitation training for physiotherapists.

### **Notable Research Awards & Grants**

<b>Name of Awards &amp; Grants</b>	<b>Year Obtained</b>
Gamified simulation-based training in vestibular rehabilitation for physiotherapists (innovPlus Grant)	2025
