

Tey Hong Liang

Clinical Director, Centre for Medtech and Innovations, NHG
Associate Professor and co-Director of Skin Research
Programme, Lee Kong Chian Medicine, NTU
Senior Clinician Scientist, NMRC
Senior Consultant, NSC

Research Interests:

- Neuro-dermatology (Itch & Sweat Disorders)
- RNA Therapeutics
- Dermatologic Formulations & Delivery (esp. Dissolving Microneedles)

Email: teyhongliang@ntu.edu.sg

Biography

Associate Professor Tey Hong Liang is the Clinical Director at the Centre for Medtech and Innovations, National Healthcare Group, the co-Director of Skin Research Programme at Lee Kong Chian Medicine, Nanyang Technological University, a Senior Clinician Scientist with the National Medical Research Council, and a senior consultant at the National Skin Centre, Singapore.

A/Prof Tey is a clinician, scientist, innovator and entrepreneur who has created healthcare, economic and technological impact through his Research-Innovation-Enterprise work in Dermatology. Among the world's top 2% most-cited researchers (2020-2024), his works include uncovering the pathogenesis and curative treatment for a disease, institution of 3 new clinical services and 5 patent-filed treatments in Singapore, 12 patent (family) filings, 240 international publications, and >20 products, which are currently available in 16 countries. Recently, he was honoured as the Exemplary Innovator at the Singapore Public Sector Transformation Awards 2024.

Notable Research/Innovation Awards & Grants

Name of Awards & Grants	Year Obtained
National Medical Research Council Senior Clinician Scientist Award	2025
Singapore Public Sector Transformation Award, Exemplary Innovator	2024
National Medical Research Council Clinician Scientist Awards	2018 & 2021
National Healthcare Group Innovator of the Year Award	2020
National Healthcare Group Outstanding Citizenship Award	2018
IJDVL International Award for Best Letter to Editor	2017 & 2018
Singapore Health and Biomedical Congress Singapore Clinician Investigator Award (Gold)	2017
